In re Application of	:	
Richard E. Rowe	:	
Application No. 09/733,490	:	ON PETITION
Filed: December 8, 2000	:	
Attorney Docket No. 29757/P-346	:	

This is a decision on the petition under 37 CFR 1.137(b), filed on August 30, 2005, to revive the above-identified application.

The application became abandoned for failure to respond to the Notice of Non-Compliant Amendment mailed July 30, 2004.

37 CFR 1.137(b)(3) requires a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. Since the statement contained in the instant petition varies from the language required by 37 CFR 1.137(b)(3), the statement is being construed as the statement required by 37 CFR 1.137(b)(3) and petitioner must notify the Office if this is **not** a correct interpretation of the statement.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of an amendment; (2) the petition fee of \$1,500; and (3) an adequate statement of unintentional delay. Therefore, the petition is **GRANTED**.

The Office also acknowledges receipt of an amendment to the specification filed with the instant petition.

The application file is being referred to Technology Center Art Unit 3713, for review of the amendment filed with the instant petition.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3226.
